

TRACK SHOES & TRACK GROUPS

DuraTrack[®]

A complete range of triple grouser excavator track shoes from 300mm to 1200mm for all standard and LGP applications is held in stock, with non-standard sizes for bespoke applications available on request.

For dozers, we stock a full range of single grouser track shoes in all standards widths from 22" (560mm) to 36" (915mm) to meet every requirement. All dozer track shoes have heavy duty baseplates to increase service life.

We also supply assembled track groups with the chain/track shoe configuration to suit your requirements.
